Guided Walks in the Trinity Broads

The Trinity Broads are a beautiful group of shallow lakes, fringed by reedbeds and woodlands. Each year the Trinity Broads Partnership project runs two guided walks to show the general public some parts of the broads landscape which are not normally accessible.

Rollesby Ramble

On **Tuesday 10th May** ramble through Rollesby to learn about the history of the village and visit the lovely wetland next to Lily Broad to see the wonderful wildlife that has returned following restoration work by Broads Authority volunteers. Walk led by Trinity Broads warden, length of walk approx. 3 miles, free event.

Marshy Meanderings

On **Wednesday 11th May** meander through Burgh Common and learn more about the wildlife found in the fen and discover some of the history of Fleggburgh Common. Walk led by Trinity Broads warden, length of walk approx. 3 miles, free event.

Limited places!

If you would like to attend either of these events please book your place by calling Hannah Gray, Conservation Officer, on 07711 439180.

These guided walks are part of the Broads Outdoor Festival, 7th-15th May 2011. If you would like to find out about over 60 other events taking place across the Broads during the festival visit: www.outdoorsfestival.co.uk.
